

Dhereen Chotelal Gaud

Kurla East Vatsala Taik Naik Nagar Chembur

Mumbai 400071, Maharashtra

ganeshgaud1111@gmail.com

8591204852

Objective:

Highly motivated and skilled IT student in the 3rd year with a strong proficiency in Web Development. Seeking a challenging internship opportunity to apply my knowledge and **expertise** in creating innovative and efficient web solutions.

Education:

Bachelor of Science in Information Technology

Fr. Conceicao Rodrigues Institute of Technology (FCRIT), Mumbai, Maharashtra

Expected Graduation: 2025

Relevant Coursework:

- Web Development Fundamentals
- Front-End Web Development
- Back-End Web Development
- User Interface Design
- Database Management
- Object-Oriented Programming
- Data Structures and Algorithms

Technical Skills:

Programming Languages: HTML, CSS, JavaScript, PHP

Front-End Frameworks: React, Bootstrap

Back-End Technologies: Node.js, Express.js

Database: MySQL, MongoDB

Version Control: Git

Operating Systems: Windows, Linux

Projects:-

1. MyDocX - Online Document Editor

- Developed a web-based document editor similar to Google Docs using React for the front-end and Node.js with Express.js for the back-end.
- Implemented real-time collaboration using WebSockets to enable multiple users to edit documents simultaneously.
- Integrated user authentication and authorization to manage document access securely.

2. NewsReaderApp - News Aggregator

- Created a news aggregator application that fetches and displays real-time news articles from various sources using HTML, CSS, and JavaScript.
- Implemented a clean and responsive user interface for seamless user experience on both desktop and mobile devices.
- Utilized API integration to access news data from different publishers.

3. Chat Application in Javass

- Developed a desktop chat application using Java Swing for the graphical user interface.
- Implemented a client-server architecture to enable real-time messaging between multiple clients.
- Utilized Java Socket programming for establishing connections and exchanging messages.
