Dear Dr. Choudhari,

Thank you for submitting your review of the following manuscript:

Manuscript ID: remotesensing-2628062

Title: Collaborative Retrieval of Oil Film Thickness Using Hyperspectral and Thermal Infrared Remote Sensing

Authors: Junfang Yang, Yabin Hu *, Yi Ma, Meiqi Wang, Ning Zhang, Zhongwei Li, Jie Zhang

We are continuously working to improve the services we offer and would greatly appreciate receiving feedback about your experiences through the short survey below.

Click here to start the survey:

https://www.research.net/r/Reviewer_Survey_2023

We encourage you to register an account on our submission system and bind your ORCID account (<https://susy.mdpi.com/user/edit>). You are able to deposit the review activity to your ORCID account manually via the below link:

<https://susy.mdpi.com/user/reviewer/status/finished>

We also invite you to contribute to Encyclopedia (<https://encyclopedia.pub>), a scholarly platform providing accurate information about the latest research results. You can adapt parts of your paper to provide valuable reference information for others in the field.

Kind regards,
Mr. Neil Zhang
Assistant Editor, MDPI Beijing
