Understanding your results

Admitted – You've been offered a place in the course/programme.

Reserve – You've been placed on a waiting list for the course/programme. The university will contact you if a place should become available.

Deleted – You haven't been offered a place in the course/programme for one of the following reasons:

- you were admitted to a programme that you ranked higher and those with a lower ranking have been deleted (you can only be admitted to one master's programme)
- you did not fulfil the entry requirements for the course/programme

Questions

For questions regarding admission, please visit our Support Centre at www.universityadmissions.se/en/support-centre/ for contact information.

For questions regarding scholarships that you may have applied for, please contact the organisation or university issuing the scholarship.

For questions regarding your residence permit for studies, please contact the Swedish Migration Agency.

For any further information that you require, please contact the university in question.

Would you like to appeal a decision regarding eligibility?

You may appeal a decision that you haven't met or been exempted from the entry requirements for a specific course or programme. You may not appeal that you weren't offered a place.

Time frame

The appeal must be in writing and must reach University Admissions in Sweden no later than three weeks from the date you read your admissions results.

How to submit your appeal

There are two ways you can submit your appeal:

- online using the Appeals guide
- in writing using the postal service

Appeals guide

The easiest way to submit your appeal is online using the Appeals guide. Log in to your account, go to 'Documents' and follow the instructions for appeals.

Written appeal

You can also write your own appeal letter. In your letter, include the following information:

- what decision you're appealing
- why you think the decision should be changed
- what change you're requesting
- which university the appeal concerns

Be sure to sign your appeals letter and provide your address, telephone number and email address.

For most universities, you should begin your appeals letter with **"To the Higher Education Appeals Board"**, which is the responsible Swedish public authority. However, there are a few exceptions. If your appeal is for Chalmers University of Technology, Marie Cederschiöld University, Stockholm School of Economics, Jönköping University, The Red Cross University College of Nursing, Sophiahemmet University College, Johannelunds Theological University College or University College Stockholm, your appeal must begin with **"To the Vice-Chancellor"** as these universities themselves are the decision-making authority for the appeal.

Submit your written appeal by regular post to:

Överklagande/Appeals, PostNord Strålfors AB, Att: University Admissions in Sweden, R 312, SE-190 81 Rosersberg, Sweden.

Do you have protected personal data?

If you have full identity protection, never upload documents to Universityadmissions.se or send anything to the above address. Instead, send your appeal by regular post to: UHR, c/o SGA, Box 4030, 171 04 Solna, Sweden.

Response

First, the university will review your appeal to see if there are grounds to reverse their decision. The university will then forward your appeal to the Higher Education Appeals Board. The decision that the Appeals Board makes is final and cannot be appealed.
